

# USER MANUAL

*Product Listing  
Guidelines*

# Step

1

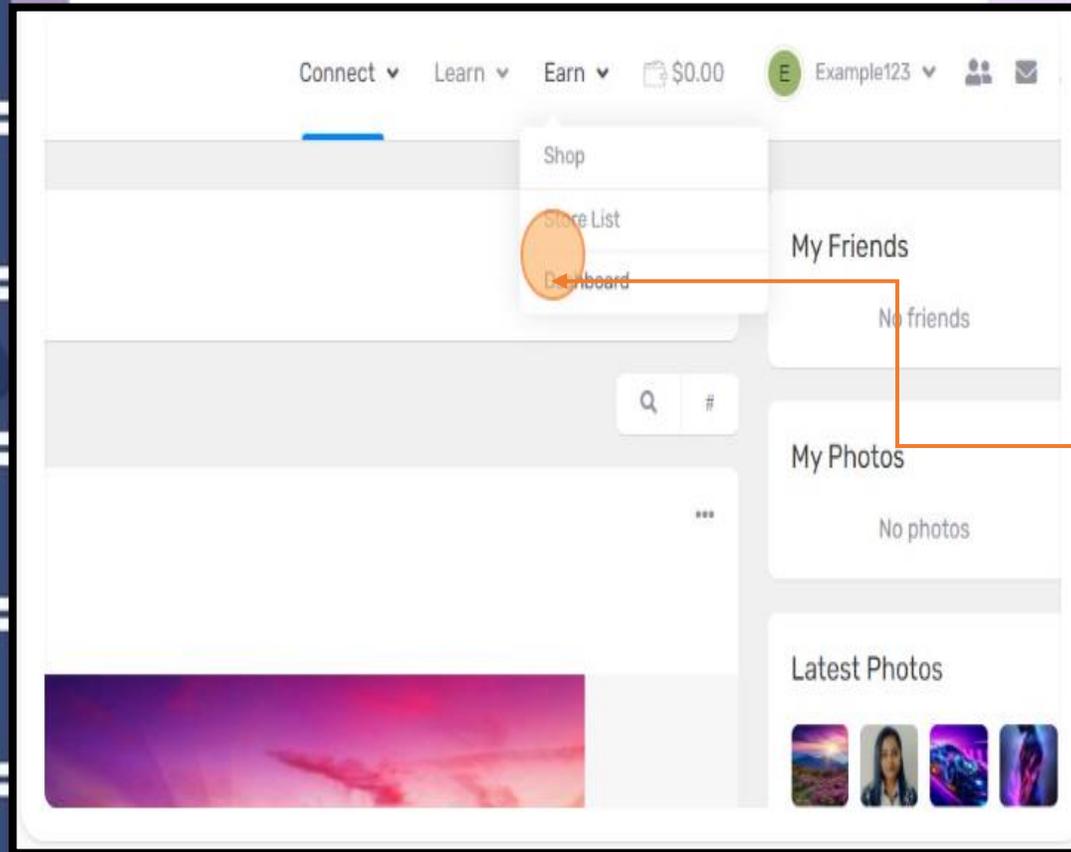

1

Click on the "Earn" tab

*Step*

2

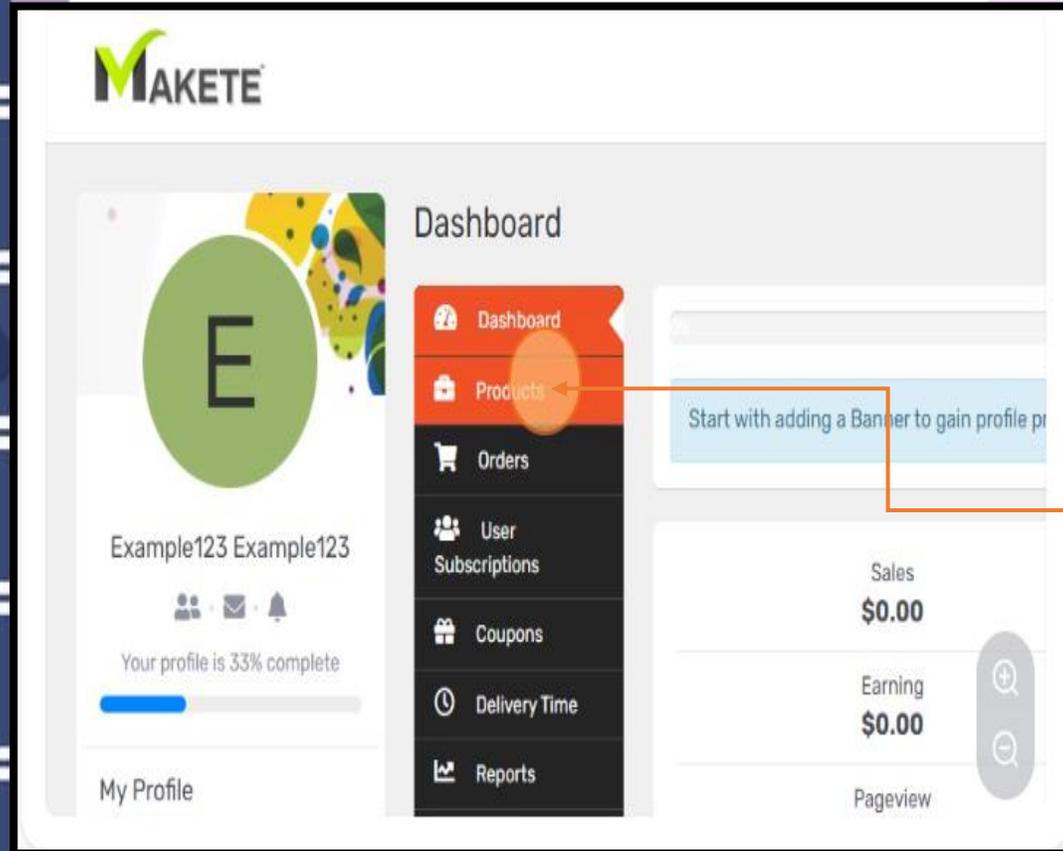

1

Click on "Dashboard" to view the Customer Dashboard

# Step

3

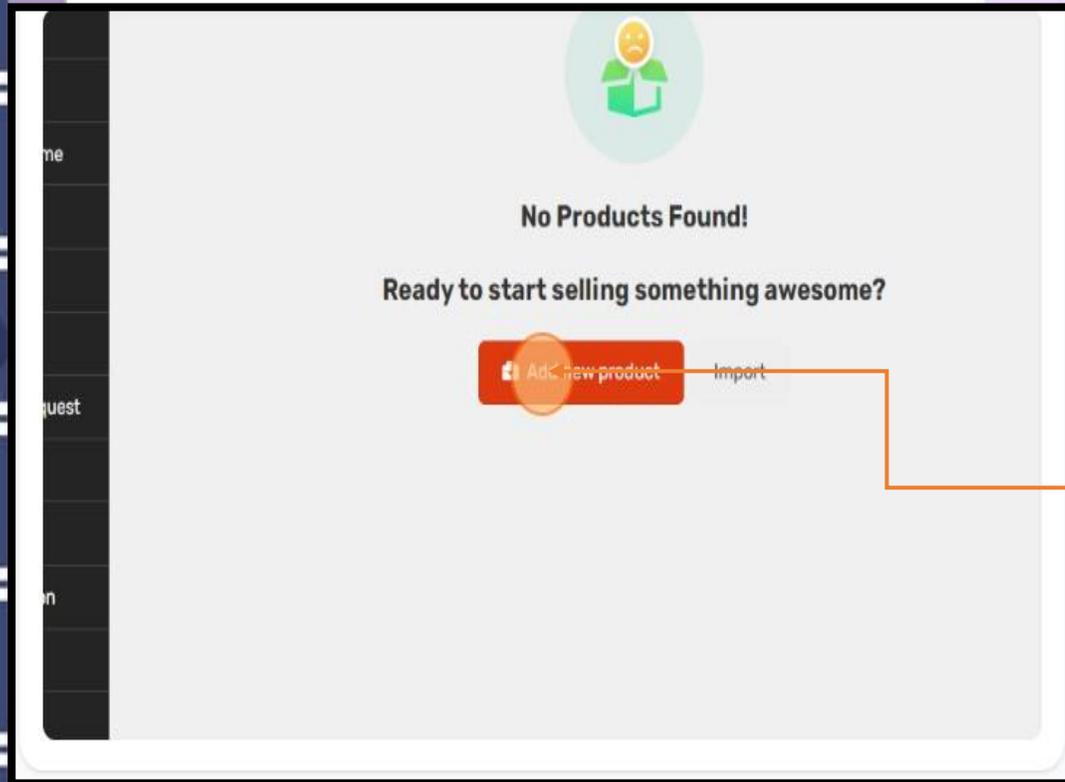

The screenshot shows the MAKETE dashboard interface. On the left, there is a user profile section with a green circular avatar containing the letter 'E', the name 'Example123 Example123', and a progress bar indicating 'Your profile is 33% complete'. Below this is a 'My Profile' section. In the center, a vertical sidebar menu contains several options: 'Dashboard', 'Products', 'Orders', 'User Subscriptions', 'Coupons', 'Delivery Time', and 'Reports'. The 'Products' option is highlighted with an orange circle. To the right of the sidebar, there is a main content area with a search bar, a blue button that says 'Start with adding a Banner to gain profile pr...', and a summary section showing 'Sales \$0.00', 'Earning \$0.00', and 'Pageview'. An orange arrow points from the 'Products' menu item to the blue button.

1

Click on "Products" to add your product

*Step*

4

1

Click on “Add new product” button to add your own products

# Step

5

1

Click on “Upload a product cover image” to upload the profile picture of your store

2

Enter the name of your product

3

Enter the price of your product

4

Select the product category of your product

The screenshot shows a product management interface with a sidebar menu on the left and a main form on the right. The sidebar menu includes: Dashboard, Products, Orders, User, Subscriptions, Coupons, Delivery Time, Reports, Reviews, Withdraw, Return Request, and Staff. The main form contains the following elements:

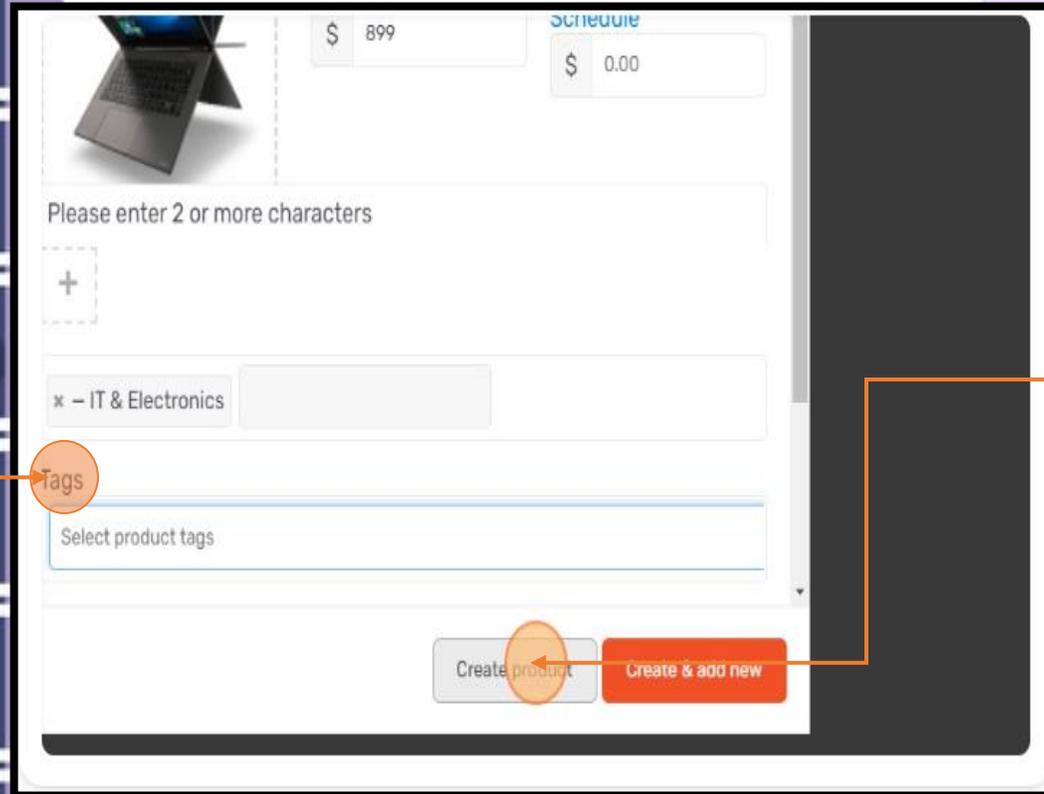

- A text input field at the top with the placeholder text "to duplicate products image, content, attributes, tags e".
- An "Upload product cover image" button with a circular arrow icon, highlighted by an orange circle and an arrow pointing to it from the left.
- A "Product name" input field, highlighted by an orange circle and an arrow pointing to it from the right.
- A "Price" input field showing "\$ 0.00", highlighted by an orange circle and an arrow pointing to it from the left.
- A "Discounted f Schedule" section with a "Schedule" button and a "Discounted f" input field showing "\$ 0.00".
- A "Select product category" dropdown menu at the bottom, highlighted by an orange circle and an arrow pointing to it from the right.

# Step

6

1

Click on Tags to “Select product tags”

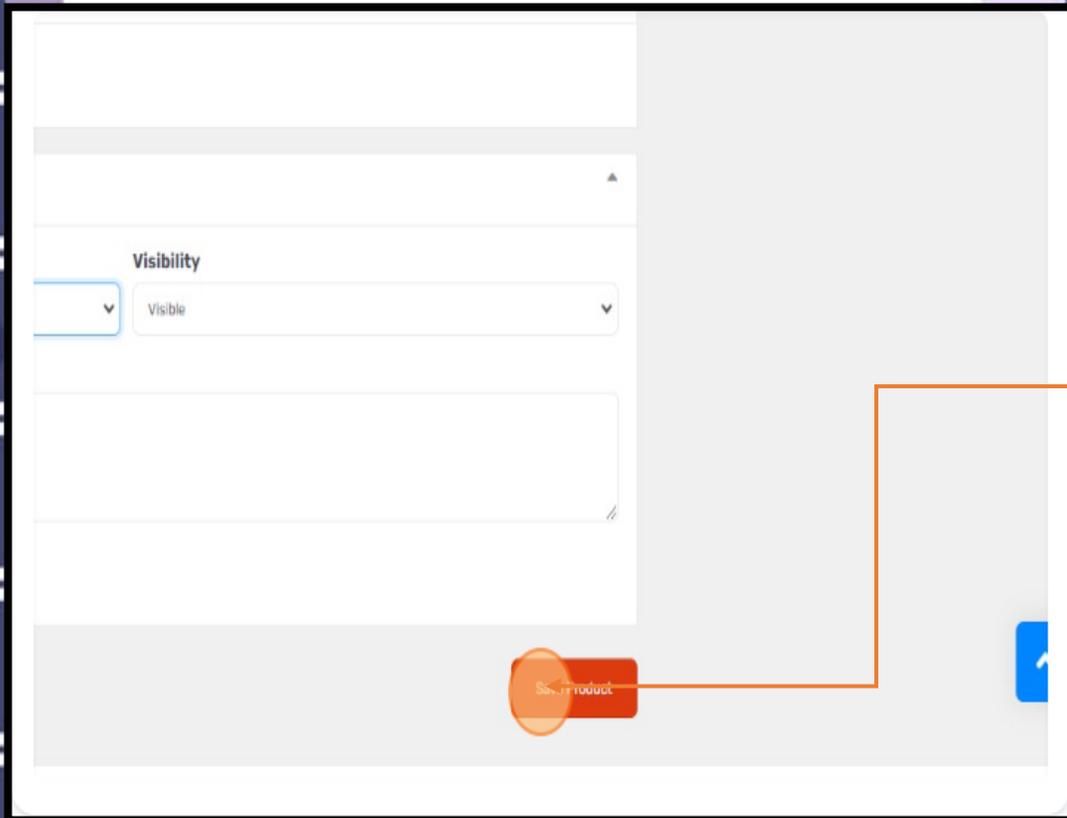

The screenshot shows a product creation interface. At the top left is a laptop image. To its right are two price input fields: one with '\$ 899' and another with '\$ 0.00' and a 'Schedule' label. Below these is a text input field with the placeholder 'Please enter 2 or more characters' and a '+' icon. Underneath is a tag input field containing 'x - IT & Electronics'. Below that is a dropdown menu labeled 'Select product tags'. At the bottom are two buttons: 'Create product' and 'Create & add new'. An orange circle labeled '1' points to the 'Tags' dropdown, and another orange circle labeled '2' points to the 'Create & add new' button.

2

Click on the “Create product” to add your product

*Step*

7

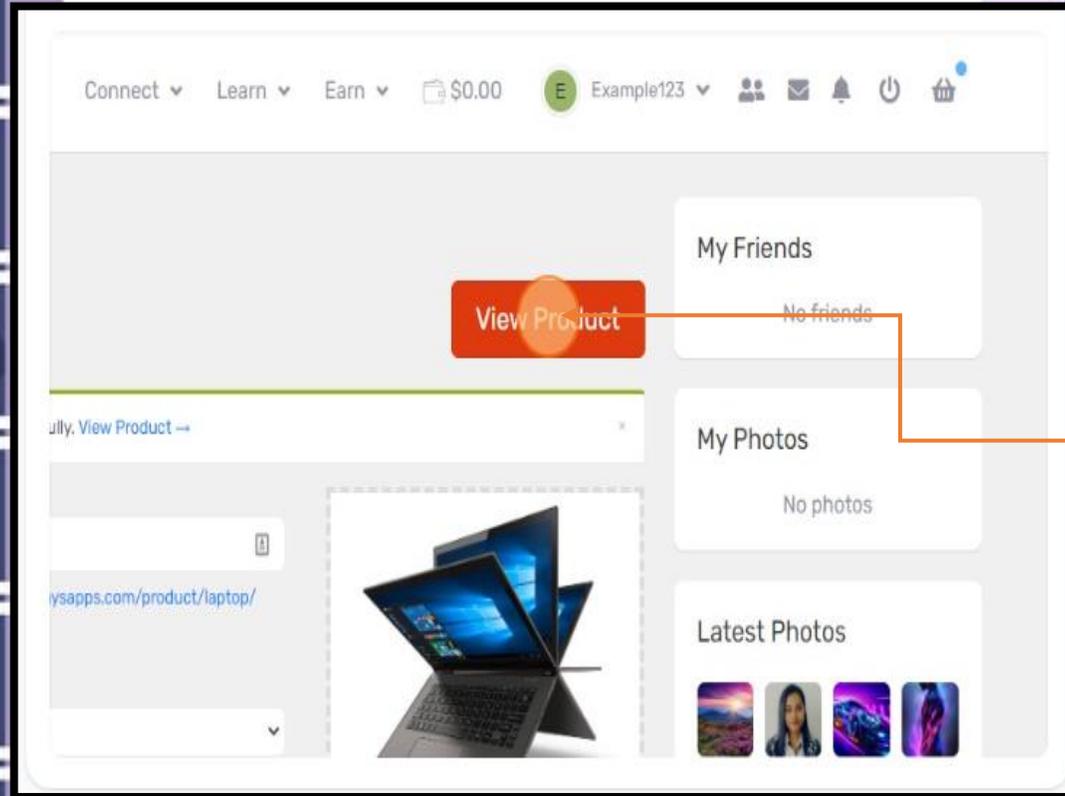

1

Click on "Save Product"

Step

8

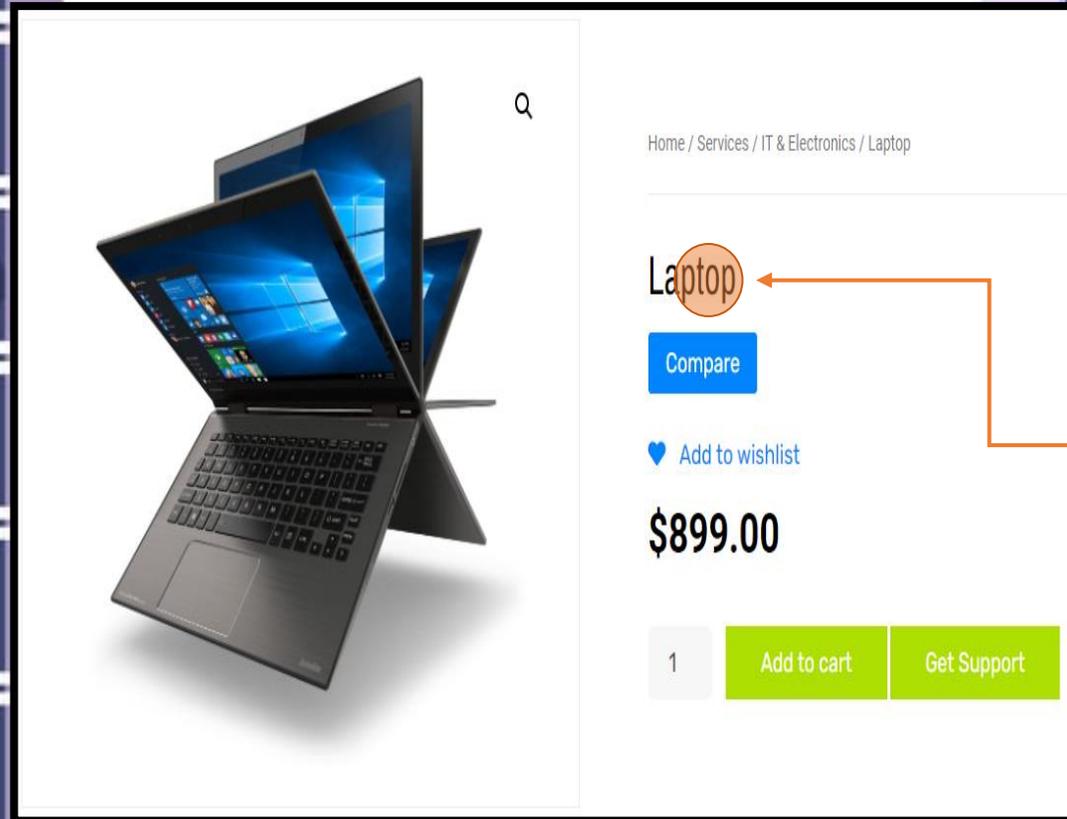

1

Click on “View Product”  
to see your product

Step

9

The screenshot shows a product page for a laptop. On the left is a large image of a black laptop with a blue Windows desktop. To the right of the image is a search icon. Below the image are several interactive elements: a breadcrumb trail 'Home / Services / IT & Electronics / Laptop', the word 'Laptop' in a blue circle with an arrow pointing to it, a blue 'Compare' button, a blue heart icon with the text 'Add to wishlist', the price '\$899.00', a quantity selector showing '1', a green 'Add to cart' button, and a green 'Get Support' button. An orange circle with the number '1' and an arrow points to the 'Add to cart' button.
